EDUCATION

Bachelor of Technology in Computer Science & Engineering

Seth Vishambhar Nath Institute of Engineering and Technology, Barabanki

Affiliated with Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow

Sep 2021 - May 2025 | 7 / 10

Intermediate (Class 12)

Shri Ram Rekha Singh Inter College, Uruwa Bazar Gorakhpur UP Board

Apr 2020 - May 2021 | Percentage: 64%

High School (Class 10)

Shri Ram Rekha Singh Inter College, Uruwa Bazar UP Board

Apr 2018 - May 2019 | Percentage: 75%

TECHNICAL SKILLS

Languages: Java, JavaScript

Frontend : HTML5, CSS3, Bootstrap, Tailwind CSS

Backend & Frameworks: Spring Boot

Databases: MySQL

Version Control & Tools: Git, GitHub, VS Code

Soft Skills: Communication, Team Collaboration, Time Management, Problem Solving, Leadership

PROFESSIONAL EXPERIENCE

Java Full Stack Developer Intern - Softpro India, Lucknow | Jan 2025 – Present

- Developing full-stack web applications using Java, Spring Boot, Hibernate, HTML, CSS, JavaScript, and MySQL
- Implementing core backend functionalities including RESTful APIs, data persistence, and user authentication.
- Participating in code reviews, debugging, and optimization of both backend and frontend modules

PROJECTS

E-Commerce Website

Full-Stack Web Application | Java, Spring Boot, Hibernate, MySQL, JSP, HTML, CSS, Bootstrap, JavaScript

- Developed a fully functional eCommerce platform with product catalog, shopping cart, order management, and user authentication
- Integrated Spring Security for role-based access control (admin & customer)
- Used Hibernate ORM for database interaction and MySQL for data storage
- Designed a responsive front-end using HTML, CSS, and JavaScript
- Implemented admin dashboard for product and order management

Student Management System

Full-Stack Web Application | Java, Spring Boot, Thymeleaf, MySQL, Bootstrap

- Built a student management system to handle student records, course enrollments, attendance, and result management
 - Developed RESTful APIs for data handling and integrated frontend using Thymeleaf templates
 - Implemented login system with Spring Security for admin, teachers, and students
 - Enabled CRUD operations for managing students, courses, and academic records
- Utilized Bootstrap for mobile-friendly UI and intuitive navigation

CERTIFICATIONS

Java Developer – Infosys & Great Learning

Responsive UI/UX Design – freeCodeCamp

ADDITIONAL INFORMATION

Languages: Hindi (Native), English (Proficient).

Achievements & Activities: Participated in inter-college hackathons and built web-based solutions under time constraints. Recognized in multiple online programming contests. Completed technical skill-building paths on platforms like freeCodeCamp.
